

KISS AND TELL | 5

Help build Michigan's Tribute to WWII and Appear on a Billboard in Royal Oak

Thanks for your interest in the 25-foot rendition of *Embracing Peace* at future home of The Michigan WWII Legacy Memorial at Royal Oak's Memorial Park on Woodward Avenue, north of 13 Mile Road.

With many WWII veterans and home front workers in their nineties, they are dying at an alarming rate. We must raise funds without delay so that as many as possible of those that remain are alive to see the Memorial become a reality.

Here's how you can help:

- **KISS:**

- Take a **KISS** photograph either by posing in front of the sculpture or recreating the kiss in some interesting location throughout Michigan.

Consider Sleeping Bear Dunes, Mackinac Island, Lake Huron or in front of the Joe Louis fist. We encourage creativity too, so put on a nurse's hat or go all out with a full sailor suit.

- **Donate** at michiganww2memorial.org or by texting **ww2** to 31996 in any amount.

This can be in honor of your grandfather, the freedoms that the Greatest Generation preserved or just because you think the Kiss and Tell campaign is fun or a 25' statue is cool. Make it personal.

- **TELL 5**

- **TELL** your social network: Post the picture to your favorite social media site (Facebook, Instagram or Twitter) and use the hashtag **#kissandtell5**. Point them to kissandtell5.org for details.

If you are on Facebook, *Like* The Michigan WWII Legacy Memorial and tag your picture with our page.

- **TELL** everyone about the special person or cause you honored with your donation as part of your posting.
- **TELL FIVE** specific friends and relatives to also "Kiss and Tell 5" by following the steps above.
- Make sure they know to tell **FIVE** friends and relatives as well.

Tagged pictures may be used to compose a mosaic image of a portion of the picture to the right that will be displayed on a billboard in Royal Oak*.

Remember, *Embracing Peace* is only here through December 2016 so please act now.

* By tagging your picture you are consenting to the use of your image by The Michigan WWII Legacy Memorial and the city of Royal Oak
If you wish to donate but not have your image used, please contact us at info@michiganww2memorial.org
